Aprašymas

Manage the desktop. Maximize productivity.
LCD-monitor installation above the desk helps maximize the effectiveness of a potential workspace. The Manhattan Universal Dual Monitor Stand with Double-Link Swing Arms improves organization on the desktop, making it easier to get work done on the computer.

Constructed from durable steel, this dual monitor stand features a sturdy base that allows for quick, easy and secure mounting without the need to drill holes into desks or countertops. Its fully adjustable tilt, rotate, side-to-side, height and tension settings create the perfect position to comfortably increase productivity. Such adjustment capabilities can even help reduce eye fatigue or neck and back strain. In addition, the mount pole offers easy monitor rotation to allow others to view presentations and multimedia productions from almost any direction.

Techninė specifikacija
