Aprašymas

VITURE Pro Mobile Dock

Do you use XR glasses? Take your mobile entertainment to a whole new level with the VITURE Pro Mobile Dock, designed specifically for fans of the Nintendo Switch and other devices with video output. With it, every trip, journey, or outing with friends can become an unforgettable multimedia experience. The dock offers full support for displaying a 135-inch image in Full HD resolution at a 120 Hz refresh rate—transforming a small screen into an incredible XR space.

Share the experience with friends

The VITURE Pro Mobile Dock is the only XR docking station that supports screen sharing, so you can enjoy local multiplayer games like "Super Smash Bros." or "Mario Kart" with friends! Simply connect two pairs of XR headsets or additional USB-C displays to play games or watch movies together, no matter where you are—just like at the movies, but without leaving home.

A New Dimension of Entertainment with 3D Support

The new VITURE Pro Mobile Dock offers support for 3D content, opening up a world of three-dimensional movies and games. Immerse yourself in extraordinary visual effects and feel like the hero of your favorite productions.

Full compatibility with HDMI and USB-C

You can connect virtually any device that supports HDMI or USB-C output to the dock—from computers and Xbox consoles to smartphones and TV sticks. If your device has a video-out feature, the VITURE Pro Mobile Dock lets you project the image into XR space, giving you maximum flexibility and convenience.

Longer battery life

The VITURE Pro Mobile Dock is equipped with a built-in battery that extends the runtime of your devices. Enjoy up to 8 hours of extra gameplay on the Switch, and up to 20 hours when using TV sticks or smartphones. It’s the perfect solution for entertainment enthusiasts who want to ensure their devices last through an entire movie marathon or a long evening of gaming.

Included in the box

- VITURE Pro Mobile Dock
- USB-C to USB-C cable
- Quick start guide
