- ✓ Gigabit Ethernet port for high-speed network connectivity

Aprašymas

Connect your Windows or Mac OS* device to up to three 4K external screens* with the 2-POWER? USB-C & USB-A Hybrid Triple 4K Docking Station. Make the most of your workspace by extending your desktop across three 4K screens* via USB-C to USB-C cable or USB-A to USB-C cable. The 2-POWER? USB-C & USB-A Hybrid Triple 4K Docking Station adds triple-screen functionality to your workstation with 4K resolution across all three displays (3840 x 2160p).| With more screens at a higher 4K resolution, the 2-POWER? USB-C & USB-A Hybrid Triple 4K Docking Station enables you simultaneously access and manage multiple applications or programs at once, helping you to work more efficiently without the nuisance of minimising or switching between applications.| The compact and sleek design make this docking station makes it perfect for home and office, reducing cable and peripheral clutter on your desk or workstation. 96W charging ensures your device is fully charged when needed.|For all your USB peripherals, the 2-POWER? USB-C & USB-A Hybrid Triple 4K Docking Station features six USB ports (5 x USB-A 3.0 & 1 x USB-C). Two of the USB ports (1 x USB-A & 1 USB-C) are front mounted, always-on charging ports. There is also Gigabit Ethernet port for high-speed network connectivity and two audio/speaker port for both your headset and mic.|The 2-in-1 USB-C/USB-A cable included with this docking station extends the compatibility to older USB-A laptops, increasing compatibility and protecting the value of your investment.
