Pagrindinės savybės

- ✓ Perfect sound experience through sound tuning with Canton: outdoor Bluetooth speaker with app control and power pack function for the ultimate music enjoyment at indoor and garden parties, at home in the living room or at the lake - powerful boombox for high-quality sound anywhere
- ✓ Portable loudspeaker for really any situation: 6.3 mm connection for guitar or microphone - turning the party speaker into an amplifier for ceremonial speeches, karaoke and spontaneous jam sessions
- ✓ Universal in use thanks to Bluetooth 5.3: simply connect the loudspeaker to compatible devices, from notebooks and TV sets to smartphones - fast, stable and energy-efficient data transfer
- ✓ Intuitive operation: Bluetooth loudspeaker controlled via mobile phone like a remote control, perfect for large rooms, terraces or in the sports hall during training
- ✓ Can also be used with jack plugs: connect via the AUX-in cable and spare the battery, ideal for a particularly stable connection
- ✓ Charge via USB-C: the cable for rapid charging is included
- ✓ Supports fast charging with a 30-Watt charger
- ✓ Large Bluetooth speaker with a robust, washable surface - in case things get muddy at a festival or outdoor party
- ✓ Always casual on the go: portable speaker with handle and detachable shoulder strap with shoulder pad

Aprašymas

Party when you can! The "UltiMate Pro" portable Bluetooth speaker is ideal for outdoor use and is perfect for warming up, powering up and dancing the night away. With a powerful 120 Watts and high sound quality, it's the perfect companion - and is guaranteed to get the party started!

Cooperation with sound experience professionals Canton

Pro sound experience with exceptional sound performance: in cooperation with Canton, the portable music box features enhanced sound and hardware technology as well as impressive, professional sound quality

120 Watts of sound performance

Powerful sound at 120 Watts: the Bluetooth loudspeaker is equipped with high-fidelity two-way bass/mid-range and tweeter capabilities plus two additional passive membranes for the lowest frequencies per channel - a huge music box with a Pro Sound Experience for the perfect party indoors and out

3 equaliser modes

Music box for a symbiosis of tweets, mid-range and bass: equaliser with three different sound effects with Bass Sound, Power Sound and Balanced Sound, delivering the perfect listening experience at the press of a button

Personalise your settings

Convenient app control via “Hama Smart Home”, e.g. create your own equaliser settings, make name changes or display the battery status in per cent

Integrated power pack

Integrated power pack: smartphones, tablets, etc. can be charged directly on the speaker via USB-C

Splash-proof to IPX6

Mobile and robust: sound quality doesn't depend on the weather, so the Bluetooth speaker is protected against jet, rain and splashing water thanks to IPX6

Bluetooth, USB-A, AUX-In, Amplifier

Whether mobile phone via Bluetooth, USB stick playback or karaoke: Bluetooth speaker with 6.3 mm connection for guitar or microphone, 3.5 mm for jack cable, USB-A for external storage media - one music box, many possibilities

24 hours of music enjoyment

Enjoy your favourite songs for a long time: the loudspeaker can be used via Bluetooth for up to 24 hours

Battery for full mobility

Full mobility thanks to battery operation with LED charging indicator: fast charging within 2.5 hours with USB-C interface

True wireless stereo

Pair the loudspeaker thanks to True Wireless Stereo (TWS) - connect two loudspeakers via Bluetooth and position them anywhere in the room for true stereo sound

FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood

Plastic-free

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

Techninė specifikacija
