The new colourful horse stable offers lots of fun features and provides endless fun for little ones! With 7 cute animals, 2 horse boxes, farmers Paul and Laura and, of course, lots of accessories, it is easy to reproduce all the daily work on the farm. While the farmer's wife prepares to go for a ride, farmer Paul uses the hoist to transport new feed to the hayloft. It is always easy for him to transport the hay bales to the feed chute thanks to the moving transport rollers that help them fall easily into the wheelbarrow. The feed indicator can be gradually adjusted according to the amount of feed the animals need. Has the farmer discovered the cute mouse sitting in his mouse hole? Children can use the sticker to personalise the horse stable however they wish.
