Pagrindinės savybės

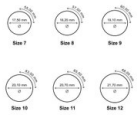

- ✓ Unobtrusive wearable with many talents: smart ring with tracker functions, from sleep and sport to vibration notifications - for monitoring and optimising physical functions for a healthy day-to-day life; lightweight, convenient and intuitive to use
- ✓ Notifications: smart ring vibrates with calls, notifications and messages about health parameters - takes into account mobile phone settings relating to do not disturb mode, etc., can also be deactivated
- ✓ Optimised measuring intervals: health ring measures heart rate and body temperature up to 6 times per hour - with blood oxygen saturation measured every 30 minutes
- ✓ Warns if the health parameters deviate significantly, e.g. significantly high or low heart rates or blood oxygen saturations
- ✓ Automatically detects steps and sleep - for sporting activities: activate smart ring tracking via the app
- ✓ Training log, e.g. with heart rate, duration, calorie consumption and speed
- ✓ Smart ring without subscription: no hidden costs, data analysis is simply included
- ✓ Reminders, e.g. for appointments, cycles, drinking enough water, medications
- ✓ Be gently woken up with vibrations
- ✓ Tracks offline: synchronises data with the app as soon as it is connected again via Bluetooth

Aprašymas

Smart ring with notification

Unobtrusively up to date: vibrations indicate incoming calls, messenger apps, reminders, wake-up calls or unusual readings – settings are customisable

Intuitive smart ring app

Easy to use: the "Hama Active" smart ring app provides a quick overview of, for example, health data and sleep quality — data that brings clarity

Quality assurance-tested app

This is an app you can rely on: "Hama Active" is quality assurance-tested and every function has been extensively checked in Germany

Minimalist, timeless design

Elegant look, robust stainless steel: elegant smart ring in black with a high-quality matt finish - also fits the deliberately analogue style without a smart watch, perfect for everyday wear and sports

Sleep ring with analysis

Smart ring with sleep measurement: monitors light and deep sleep, REM (dream sleep) and waking phases - with sleep quality assessment

Heart rate, SpO2, VO2max, heart rate variability, steps

Pulse ring with many measured values: including heart rate (active, resting, sleep), blood oxygen, max. oxygen uptake, heart rate variability, pedometer, calorie consumption

Calculation of training readiness

Understand your body, train better: sleep quality, heart rate variability, blood oxygen, temperature and stress form the recovery score - better plan, analyse and optimise work, training and recovery

Sport types to choose from

Strength training, tennis or yoga: choose from 120 types of sport and obtain an analysis based on your choice

Measures the temperature

Recognise fever earlier: the fitness ring measures skin temperature and provides early indications of an elevated temperature

Water protection to IP68 and 5 ATM

Whether jogging in the rain, showering or swimming in the lake: the smart ring is water-resistant to IP68 and 5 ATM and is suitable for many activities in rain or snow

Relaxed charging in the charging case

Even the storage is smart: conveniently recharge the smart ring via the magnetic charging tray - to 100 per cent for up to 4 days’ run time in under 2 hours
