Aprašymas

Improving hybrid working

Ultra-lightweight second screen

At just 715g, the RICOH Portable Monitor 150BW provides an accessible, ultra-lightweight second screen experience. They’re easy to carry, set up and use anytime, anywhere.

15.6-inch OLED display

RICOH Portable Monitors produce vivid images and crisp text thanks to the large, high-quality OLED display. Experience incredible contrast for inky black tones and bright, punchy colours, making content easier to consume, review and create.

Full wireless option

The battery-powered 150BW model also provides wireless connectivity. With no wires or cables, this portable monitor is even more convenient and easy to use.

Instant collaboration in-person or online

Responsive 10-point multitouch touchscreen

Using the touchscreen, users can instantly capture feedback. It's easy to work collaboratively quickly and clearly by highlighting text and graphics on shared content.

Easy mark-up

The ability to directly write, draw and annotate content increases engagement in meetings, allowing rapid and efficient communication of thoughts and ideas. The result? Incredible productivity.

Optional RICOH Stylus

The RICOH Monitor Stylus Pen Type 1 (available separately) can detect 4,096 levels of pressure for a natural handwriting experience. Advanced palm rejection lets you write on the screen just as you would on a paper notepad.

Effortless and impactful content sharing

The ideal portable monitor for handouts

Now you can provide monitors to customers or colleagues for full visibility of your content and a more personal and engaging sharing experience. Thin and easy to handle, the RICOH Portable Monitors weigh in at just 715g for the battery model.

Make content more striking and defined

The high-quality, high-contrast OLED display makes content more powerful, with vivid colours, deeper dark tones and crisp text.
