Aprašymas

For your kitchen and for your ideal espresso, the 1381 coffee machine is your ally for enjoying an intense break with taste and elegance. The slim and compact design makes it unique for every kitchen: only 14 cm wide that fit into any corner of the kitchen, without giving up space for other appliances. For short breaks, prepare a coffee with an intense flavor thanks to the 15 bar pressure to obtain perfect dispensing of both the ground coffee and the pod, but also for a rich breakfast to which you can add a creamy cappuccino thanks to the Maxi-Cappuccino device. Choose your drink and adjust the height of the drip tray according to the cup you prefer. Thanks to the manometer you will always be able to understand if the parameters of water, quantity of coffee and degree of grinding are in balance and balanced with each other to always guarantee you the best possible espresso. For those who love delicate flavours, the 1381 machine has a hot water dispenser to prepare teas, infusions and herbal teas of your favorite flavours.

Techninė specifikacija
