Aprašymas

Style and functionality are the 2 key characteristics of Ariete's Moderna Line and are perfectly exemplified in this coffee machine. Sinuous lines, sophisticated design, and ease of use make this espresso machine a must have for true coffee connoisseurs who know how to appreciate the unmistakable aroma of freshly ground coffee. Thanks to the integrated coffee grinder, you can grind your coffee beans right in your own home, releasing the aroma of freshly ground coffee ready to be transformed into a hot, full-bodied and creamy espresso. The machine operates at 15 bars of pressure, you can decide to make 1 or 2 cups of coffee at the same time, and with the milk frother you can also prepare the frothed milk for making macchiatos or cappuccinos. With the Moderna coffee machine your breakfast will have unique taste and style.

Techninė specifikacija

Performance
