Aprašymas

Dice, slice and grate direct to the plate

Save time with the Express Serve™ attachment. It's perfect for grating, slicing and dicing directly onto a serving dish or into a pan. The main bowl stays clean, saving on washing up.

Everyday provision

MultiPro Compact is a great all-rounder that offers performance, versatility and style. The 800W motor and variable speed dial with pulse gives you total control, for the best results every time. Both the bowl and blender are run from the same base too, saving you space on the worktop.

The complete package

With the original all-in-one system from Kenwood you can chop, grate, slice, blend, knead and whisk. Do it all with just one base, saving you time and space.
