Aprašymas

Ultra-portable JBL Pro Sound

Don't let its little size fool you. The JBL Clip 5 packs a serious musical punch, delivering big JBL Pro Sound with punchy bass. Your friends won't believe how much great JBL Pro Sound comes out of such a small speaker.

Redesigned carabiner

The completely redesigned, fully integrated carabiner has a much wider opening that makes it even more portable. You can attach the Clip 5 to everything from your backpack to your belt loop, and take your music with you all day, everywhere.

Up to 12 hours of playtime plus 3 hours with Playtime Boost

Don't sweat the small stuff—like charging your battery. JBL Clip 5 gives you up to 12 hours of playtime on a single charge. Simply tap Playtime Boost to prolong the playtime, adding up to 3 hours to your battery life. It tunes and optimizes the performance for louder and crisper sound.

The JBL Clip 5 ultra-portable Bluetooth speaker is small enough to hold in one hand, but don't let the size fool you—it's big where it counts. A wide, fully integrated carabiner is big enough to clip to just about anything. The powerful driver and passive radiator deliver bigger, louder JBL Pro Sound and punchy bass. A single charge gives you up to 12 hours of playtime—and even more if Playtime Boost is turned on. Speaking of outside, it's IP67-certified waterproof and dustproof, so it's a natural to take on your next hike or camping trip. Pair two Clip 5s together for stereo sound, or instantly connect it with multiple JBL Auracast-enabled speakers for even bigger sound over more space. Plus it's available in a variety of colors, so you're sure to find one that fits your vibe. Every day is an adventure with the JBL Clip 5.
