Pagrindinės savybės

- ✓ Thermal transfer
- ✓ 360 x 360 DPI
- ✓ Print speed: 60 mm/sec
- ✓ Built-in barcodes: CODABAR (NW-7), Code-128 Codabar Library, Code-39 Library, EAN128, EAN13, EAN8, GS1 COMPOSITE, GS1 DataBar, GS1 DataBar Expanded, ISBN-2, ISBN-5, ITF, MicroPDF417, POSTNET, QR Code, UPC-A, UPC-E
- ✓ Connectivity technology: Wired & Wireless
- ✓ USB port Wi-Fi
- ✓ 1.5 kg

Aprašymas

The professional label printer designed for any labelling task

With a wide range of colour combinations and tape widths up to 36mm, near borderless printing and high speed/high resolution print capabilities, the PT-P900W is ideal for facilities management, document archiving, asset labelling and creating on-demand labels whenever and wherever required.

Wired and wireless connectivity

This compact desktop label printer can be connected to your PC or Mac using a USB cable, or connected to your wireless network to share between multiple users or be placed in a more convenient location away from your computer.

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. Gamintojas ir pardavėjas neatsako už galimus duomenų neatitikimus ar tipografines klaidas. Prieš įsigyjant rekomenduojame pasitikrinti aktualią informaciją.

Advanced cutter with easy-peel function

The advanced cutter can produce one long strip of labels that can be easily peeled one-at-a-time, and ensures labels are kept in the correct order.

Industrial label design software for PC and Mac

The PT-P900W uses P-touch Editor label design software for Windows and Mac. It boasts advanced features normally found in expensive desktop applications such as industry standard 1D and 2D barcodes, import of logos and other graphics, and allows you to use the fonts installed on your computer. Link to a Microsoft Excel® spreadsheet or .csv file to print multiple labels quickly and efficiently.

Print from smartphones or tablets

Instantly create and print simple labels from your smartphone or tablet without needing to fire up your PC. The Brother iPrint&Label app wirelessly connects to the PT-P900W to let you design and print labels from your iOS or Android device. Or if you need to identify electrical and data cabling and equipment, use the specialised Brother Cable Label Tool app to print labels for wrapping around cables or for sticking to faceplates, electrical distribution boards and other specialist equipment.

Include label printing as part of your solution

Software and app developers can use various software development kits for Microsoft Windows, iOS and Android devices to enable label printing from within your own software and apps. This makes the PT-P900W ideal to integrate into various solutions where durable labels are required.

Print wherever and whenever required

There are situations where AC power may not be available, such as on construction sites, or if the label printer needs to be used on a portable trolley. The PT-P900W has an optional battery base and rechargeable lithium-ion battery pack to enable label printing wherever and whenever required.

P-touch laminated labels - tested to extreme

Brother TZe tape cassettes come in a wide variety of widths and colours, and include specialist tapes such as strong adhesive, flexible ID (for wrapping around cables or creating flag labels), tamper evident and security tapes. These laminated tapes are incredibly durable, and are designed and tested to withstand extremes in temperature, sunlight, moisture, abrasion and chemicals.

- Create durable labels up to 36mm in width
- High speed and high resolution printing
- Integrated Wi-Fi to print labels from several devices at once, including tablets and smartphones
- Advanced cutter with easy label peel function
- Include images, barcodes and frames on your labels
- Connect to data contained in spreadsheets to batch print many labels at once.

Techninė specifikacija

Printing	
Print technology	Thermal transfer
Colour	No
Maximum resolution	360 x 360 DPI
Print speed	60 mm/sec
Maximum print height	3.2 cm

Minimum print length	4 mm
Vertical printing	Yes
Rotated printing	Yes
Maximum print length	1 m

Ports & interfaces

Connectivity technology	Wired & Wireless
Ethernet LAN	No
Wi-Fi	Yes
USB port	Yes
Wi-Fi standards	802.11b, 802.11g, Wi-Fi 4 (802.11n)
Bluetooth	No
USB 2.0 ports quantity	1
Wi-Fi Direct	Yes
Optional connectivity	USB 2.0

Performance

Page description languages	ESC P
Internal memory	6 MB
Built-in barcodes	CODABAR (NW-7), Code-128 Codabar Library, Code-39 Library, EAN128, EAN13, EAN8, GS1 COMPOSITE, GS1 DataBar, GS1 DataBar Expanded, ISBN-2, ISBN-5, ITF, MicroPDF417, POSTNET, QR Code, UPC-A, UPC-E
Number of fonts	4
Tape type	TZe
Tape width	3.6 cm

Design

Product colour	Black
Built-in display	No
Housing material	Plastic

Power

Number of batteries supported	1
Auto power off	Yes

Weight & dimensions

Width	165 mm
Depth	333 mm
Height	266 mm
Weight	1.5 kg
