Aprašymas

Enhance the performance of your robot vacuum with the **Tapo RVA100** accessory kit from **TP-LINK**. This comprehensive kit is specifically designed for the **Tapo RV30, RV30 Plus, RV10, and RV10 Plus** models, ensuring compatibility and optimal functionality. The kit includes a main brush, two side brushes, and two washable HEPA filters, all crafted to meet the original equipment manufacturer's specifications. This attention to detail guarantees a perfect fit, allowing your vacuum to operate at peak performance.

The **main brush** effectively agitates and lifts dirt and debris from both carpets and hard floors, while the **side brushes** are designed to clean along edges and corners, significantly enhancing the vacuum's cleaning coverage. The included **HEPA filters** capture up to **99.97%** of microscopic particles, which plays a crucial role in improving indoor air quality by reducing allergens and pollutants. This feature sets the Tapo RVA100 apart from many competitors, ensuring a cleaner and healthier living environment.

Available in sleek black and white, this accessory kit seamlessly integrates with your robot vacuum's design. With two pieces of each filter included, the Tapo RVA100 allows for convenient replacements, ensuring your vacuum maintains its cleaning efficiency over time. Trust in the quality and reliability of **TP-LINK** to keep your home spotless and your air clean with this essential accessory kit.
