Aprašymas

The Neomounts WL15-602BL1 is a tablet casing that can be installed both in portrait and landscape orientation. The tablet casing features an anti-theft lock and can be installed on suitable Neomounts stands.

The strong aluminum construction ensures safe and solid placement while the cable management system enables cables to be routed within or outside of the casing. A cable with a right-angle connector can be useful for the best installation. The clever design includes different tablet inlay panels making the casing suitable for various 12,4-13"* tablets.

The tablet casing is part of a modular set up and must be combined with one of the following stands:
DS15- 629BL1\t: desk stand - for desk or wall mounting
DS15- 631BL1\t: desk stand - for desk mounting or stand-alone
DS15- 632BL1\t: desk stand - for desk mounting
FL15-627BL1\t: floor stand - tiltable and rotatable position
FL15-628BL1\t: floor stand - fixed landscape or portrait position
