Aprašymas

The **Hikvision DS-2CD1143G2-LIU** is a state-of-the-art **4 MP Smart Hybrid Light Fixed Dome Network Camera** designed for versatile surveillance applications. With its impressive **4 MP resolution**, this camera delivers high-quality imaging, ensuring that every detail is captured clearly. The advanced **Smart Hybrid Light technology** allows for exceptional performance in low-light conditions, making it an ideal choice for both day and night monitoring.

This model supports **Human and Vehicle Detection**, enhancing its ability to differentiate between various types of movement, which is crucial for effective security management. Additionally, the built-in microphone provides **real-time audio security**, allowing for comprehensive monitoring of the environment. The camera also features **H.265+ compression technology**, ensuring efficient storage and transmission of video data while maintaining high image quality.

Designed for durability, the **Hikvision DS-2CD1143G2-LIU** is both water and dust resistant with an **IP67 rating**, as well as vandal resistant with an **IK08 rating**. This makes it suitable for various outdoor and indoor settings, providing reliable performance in challenging conditions. With support for on-board storage of up to **512 GB** via an optional SD card slot, this camera is a robust solution for your surveillance needs.
