Pagrindinės savybės

- ✓ 1 m
- ✓ CEE7/16 Straight Male
- ✓ IEC C7 Straight Male
- ✓ H03VVH2-F 0.75 mm²
- ✓ Black

Aprašymas

Integrated switch for added convenience: The power cord has a practical on/off switch in the cable, allowing you to quickly disconnect it from the power supply.
Euro plug to C7 for versatile applications: Compatible with numerous AV devices, charging units, and other devices with a Euro 8 connection.
High safety thanks to 0.75 mm² cross-section: The wire cross-section ensures reliable power transmission within the specified power range.
Energy-efficient thanks to standby avoidance: The switch helps to avoid unnecessary power consumption, which is particularly advantageous in commercial applications.
Robust workmanship for indoor use: The black cable sheathing is inconspicuous and ensures stable and durable handling.

The InLine Euro power cable with switch is a well-designed solution for all applications in which devices with a Euro 8 connection need to be reliably supplied with power and completely disconnected from the mains when necessary. Thanks to the integrated on/off switch, the power flow can be conveniently controlled without pulling the plug out of the socket—this increases safety and reduces energy consumption in standby mode.
With a Euro plug (CEE 7/16, 2-pin) on the mains side and a C7 coupling connector (Euro 8, "Figure 8"), the cable can be used universally for many AV devices, power supplies, or chargers. The 0.75 mm² wire cross-section ensures a stable power supply with a maximum output of 625 W. The switch is positioned approximately 30 cm from the Euro plug (0.5 m from the center), offering additional flexibility in use.
The cable is designed for indoor use and is ideal for office workstations, service points, or sales areas where energy efficiency and ease of use are required.

Nominal voltage: 250 V AC
Nominal current: 2.5 A

Max. power: 625 W
Area of application: Indoor use
Color: Black

Techninė specifikacija

Features	
Product colour	Black
Connector 1 gender	Male
Connector 2 gender	Male
Cable length	1 m
Connector 1	CEE7/16
Connector 2	IEC C7
Connector 1 form factor	Straight
Connector 2 form factor	Straight
Cable type	H03VVH2-F
Number of conductors	2
Conductor cross section	0.75 mm²
Power	
Power supported (max)	625 W
Input voltage	250 V
Input current	2.5 A
Weight & dimensions	
Height	20 mm
Diameter	5.7 mm
Weight	73 g
Packaging data	
Package type	Polybag
Other features	
Country of origin	Taiwan
Matmenys ir svoris	
Svoris	0,08kg
