Pagrindinės savybės

- ✓ ColorPro Night Vision-Provides professional protection by revealing bright-color images without any spotlights even in ultra-low light conditions. Feel its superiority and experience daylight clarity during pitch-black nights
- ✓ F1.0 Super-Aperture Lens & 1/1.79''Large Sensor-An F1.0 super-aperture lens captures 4× more the amount of light than F2.0 while the 1/1.79'' sensor has a larger target surface and higher sensitivity than normal 1/2.7'' sensors. Both are key to rendering colors under ultra-low light conditions
- ✓ 2K QHD Live View-Tapo C325WB adopts a 2688×1520 resolution, capturing sharper images with 2× more pixels than 1080p
- ✓ Person/Animal/Vehicle Detection-Smart AI identifies people, animals, and vehicles, notifying users as needed‡. All are provided for free
- ✓ Customizable Motion Detection-Set up activity zones or boundaries and receive instant notifications anytime when motion is detected in your customized zones
- ✓ Secure Local and Cloud Storage-Save recorded video to a microSD card(up to 512 GB)†or by using Tapo Care cloud storage services**
- ✓ IP66 Weatherproof-Offers excellent waterproof and dustproof performance for outdoor scenarios
- ✓ Wireless/Wired Networking-Connect the camera to your network through Ethernet or Wi-Fi for more flexible installation
- ✓ Wide Field of View-A wide FOV up to 127° provides a larger detection range covering more space, enabling you to focus on more vital areas

Aprašymas

Experience Daylight
Clarity at Night
Outdoor Security Wi-Fi Camera ColorPro

Revolutionary Night Vision Technology for Enhanced Clarity

1/1.79’’ Large Sensor

2.1 × larger the target surface than 1/3’’ sensor.

F1.0 Super-Aperture Lens

Captures 4x the amount of light than F2.0 lens.

Image Optimization Algorithms

Tapo advanced high-gained algorithms for higher clarity, brightness and saturation.

Vivid Colors, Vivid Details, even at Night

Tapo C325WB renders vivid colors even under ultra-low light conditions, while the smartphone can only make out darknessΔ. Experience its superiority with daylight clarity during pitch-black nights.

Razor-Sharp Images with Brighter Colors

Compared with other full-color cameras with spotlights/floodlights, Tapo C325WB reveals brighter, more natural colors and clearer images with ColorPro night vision and 2688×1520 resolution.

See Further, See More Colors

Compared with other full-color night vision cameras, Tapo C325WB won’t be limited to the range of spotlights or floodlights so you can see further and see more colors without dark corners.

Enhances Your AI Detection

Tapo C325WB can detect people, animals, and vehicles even during pitch-black night. No spotlights needed also means higher accuracy.

Less Missed Events

Detects people hidden in the dark by capturing more light and colors.

Less False Alarms

Reduces false alarms triggered by flying insects, shaking leaves, or flashing light.

A Whole New Night Vision Experience

Unlike other color night vision cameras that utilize spotlights or floodlights, the Tapo C325WB utilizes ColorPro technology paired with an incredible 2688x1520 resolution to deliver jaw-dropping results in low-light conditions.
Experience more natural colors, brighter images, and clearer pictures even in low light conditions.

Incredible Natural Colors in The Dark

Floodlights limit colors to a small section and IR sensors will only produce black and white images.
With ColorPro, you can see picture that is closer to its natural color during the day.

Amazingly Detailed, Even in The Dark

Washed out or dull images prevent the visibility of finer details. With ColorPro,
pictures are much clearer and more natural, providing better clarity.

No Dark Corners, No Blind Spots

See objects and subjects like never before. ColorPro technology provides superior brightness
throughout the entire frame to ensure that nothing, or no one, is missed.

Extended Vision & Accurate Event Detection

Floodlight and even more advanced Starlight cameras may miss subjects in darker situations.
With ColorPro technology, even subjects in the far corners of the frame can be detected.

Preserve The Dark,
No Spotlights or Floodlights Necessary

Save More Energy

The Tapo C325WB captures full-color images in ultra-low light conditions without requiring any floodlights to save energy and protect the environment. By choosing the ColorPro camera, you can enjoy high-quality monitoring while doing your part to protect the environment.

Minimize False Alarms

The Tapo C325WB is designed to minimize false alarms triggered by flying insects or shaking leaves attracted by spotlights or floodlights. You can have peace of mind knowing that you're getting accurate and reliable alerts without any unnecessary disruptions caused by false alarms.

Free from Distracting Lights

With the Tapo C325WB, you don't have to worry about distracting lights or light pollution that can disturb your peace or affect your neighbors. You can enjoy a clear view of your property without any extra light pollution and minimize neighbor complaints.

Built-In Siren with Spotlight Alarm

Customize the activity zone and trigger the built-in siren with the spotlight alarm to scare off unwanted intruders. Utilize the two-way audio to communicate directly with anyone standing outside.

HDR Technology (High Dynamic Range)

Experience uncompromised image quality, even in low light conditions, thanks to advanced HDR technology that ensures perfectly balanced exposure without any over or underexposure.

Experience Crystal Clear Vision: Day & Night

2K QHD Crystal-Clear

The Tapo C325WB delivers crystal-clear and highly-detailed images with a resolution of 2688×1520.

Free AI Detection
Smart AI identifies people, pets, and vehicles, notifying users as needed. All for free!

Weatherproof

Helps Tapo C325WB perform well even in harsh environments with rain and dust.

Wide Field of View

A wide FOV up to 127° provides a larger detection range covering more space.

Local & Cloud Storage

Save recorded videos to a microSD card (up to 512 GB) or by using Tapo Care cloud services.

Voice Activated

Works with Amazon Alexa and Google Assistant for hands-free life.

Dedicated Tapo App

Live view, playback, save clips and set up–all in one app.
Note: Tapo C325WB is not recommended for indoor settings. Turn off HDR for better night vision performance.

Techninė specifikacija

Performance	
Type	IP security camera
Placement supported	Indoor & outdoor
Connectivity technology	Wireless
Certification	CE, FCC, RoHS, RCM
Design	
Mounting type	Wall
Product colour	White
Form factor	Bullet
LED indicators	Yes
International Protection (IP) code	IP66
Camera	

Minimum illumination	0.0005 lx
Lens viewing angle, diagonal	127°
Image sensor	
Sensor type	CMOS
Number of sensors	1
Optical sensor size	25.4 / 1.79 mm (1 / 1.79")
Lens system	
Number of lenses	1
Night vision	
Night vision	Yes
Video	
Maximum resolution	2688 x 1520 pixels
Total megapixels	4 MP
Video compression formats	H.264
Supported graphics resolutions	2688 x 1520
Supported video modes	1512p
Frame rate	20 fps
Network	
Ethernet LAN	Yes
Wi-Fi	Yes
Bluetooth	No
Networking standards	IEEE 802.11b, IEEE 802.11g, IEEE 802.11n
Supported network protocols	TCP/IP, ICMP, DNS, HTTPS, TCP, UDP
Wi-Fi standards	802.11b, 802.11g, Wi-Fi 4 (802.11n)
Storage	
Built-in HDD	No
Card reader integrated	Yes
Compatible memory cards	MicroSD (TransFlash)
Ports & interfaces	
Ethernet LAN (RJ-45) ports	1
DC-in jack	Yes
Security	
Security algorithms	128-bit AES
Power

Power source type	DC
AC input voltage	100 - 240 V
AC input frequency	50 - 60 Hz
DC output voltage	9
DC output current	0.6 A
Operational conditions	
Operating temperature (T-T)	-20 - 45 °C
Storage temperature (T-T)	-40 - 60 °C
Operating relative humidity (H-H)	10 - 90%
Storage relative humidity (H-H)	5 - 90%
Weight & dimensions	
Width	148.7 mm
Depth	137.9 mm
Height	90.4 mm
Packaging data	
Package width	189.5 mm
Package depth	201.5 mm
Package height	92.5 mm
Package weight	500 g
Packaging content	
Number of cameras	1
Matmenys ir svoris	
Matmenys (I × P × A)	19,00cm × 9,00cm × 20,00cm
Svoris	0,54kg
