Aprašymas

Enjoy superb grilling results for breakfast, lunch, dinner and snacks. You'll love the versatility that the (smart) combination of three types of plates and three cooking positions gives you. The MultiGrill 7 provides you with two flexible cooking surfaces so that you can create delicious meals for up to 6 people. Veggies, meat, fish or tasty bruschetta – you decide. Take advantage of 2000 watts of power for quick heating and excellent grilling results and enjoy embedded heating elements for even faster and consistent cooking.

Unlimited versatility

Due to the smart combination of the two different plates and three flexible cooking positions you can enjoy unlimited versatility. Experience perfect grilling results for breakfast, lunch, dinner and snacks.

Superb grilling performance

The embedded heating elements guarantee faster and consistent heating. And thanks to the independent thermostats you can regulate the temperature of each plate separately to cook two types of food simultaneously.

Dishwasher safe

The non-stick plates as well as the drip tray are all dishwasher-safe which makes cleaning nice and simple.
