Pagrindinės savybės

- ✓ Retro design, sparkling sound
- ✓ Wired open-back headphones
- ✓ Angled 50 mm drivers
- ✓ Comfy for long listening

Aprašymas

The Freddie

Ooh, they're your best friend! Give the music you love the sound it deserves with these classic-looking, open-back wired headphones. Built for home listening, they boast audiophile-grade tuning, groovy retro style and modern comfort.

Looks from back then, sound from now

Leather trousers, your best shirt and the retro 70s look of these over-ear headphones! Whether you're rocking out to vinyl from back in the day or streaming the latest single drop, it's time to kick back and get into the warm, authentic sound.

Open-back, over-ear headphones. Get closer to your music

The open-back design lets you feel the soul of your music. With no enclosure trapping the sound, you'll be treated to an immersive, spacious performance that separates voices and instruments so you can enjoy the full impact of every note. It's like being in the studio with your favourite band.

Angled 50 mm neodymium drivers. Authentic hi-fi sound

The neodymium drivers are engineered to tilt at 15 degrees, fitting the natural geometry of your ear so you hear every frequency with optimal accuracy. You get sparkling highs, controlled lows and a midrange that's lush and natural. Perfect for any music you care to throw at them.

Double-layered headband and breathable ear-cup cushions

The chocolate-brown inner headband is supremely soft and the breathable ear-cup cushions keep your ears cool during long listening sessions. The durable steel outer headband promises years of use and provides just the right amount of clamp to keep these headphones comfortably in place.

Audiophile-grade connections and long 3 m cable

From your stereo to your favourite armchair, the included 3 m cable gives you plenty of reach. The gold-plated connector and 6.3 mm jack adapter make sure that you get the best connection when listening on audiophile-grade equipment.

Warm, detailed, natural. Philips sound signature

Music to podcasts, these headphones make the most of the sounds you love! You'll enjoy warm, detailed sound with rich bass from the large drivers, which are tuned to the Philips sound signature.

Responsible design and packaging

We're continually working to make our supply chain more sustainable and transparent. These headphones are made with RCS-certified post-consumer recycled plastics, and our packaging uses FSC-certified recycled cardboard and soy-based ink.

Techninė specifikacija

Performance	
Product type	Headphones
Wearing style	Head-band
Recommended usage	Music
Headset type	Binaural
Product colour	Black, Brown
Colour name	Century brown

Cable length	3 m
