Aprašymas

The **Hikvision DS-KAD7061EY** is a state-of-the-art **2-wire HD Distributor** designed to enhance your indoor communication systems. This innovative device features **4 channels floor-shunt** for indoor stations, allowing for seamless cascading connections. Its compact design ensures that it occupies minimal installation space, making it an ideal choice for various settings.

Equipped with **6 indicators**, the Hikvision DS-KAD7061EY provides real-time feedback on the operational status of the device, ensuring that you are always informed about its performance. One of the standout features of this model is that it requires **no power supply**, simplifying the installation process and reducing overall energy consumption. This combination of functionality and efficiency makes the DS-KAD7061EY a superior choice for modern communication needs.
