Pagrindinės savybės

- ✓ Physically prevents access to an HDMI Port on a computer, AV source or display device
- ✓ Quick and simple to use
- ✓ Single key & 4 HDMI Port Blockers
- ✓ Up to 4 blockers can easily be stored inside the key

Aprašymas

The Lindy HDMI Port Blockers are useful little devices that can be used to physically prevent access to HDMI ports. With the HDMI Port Blocker Key, the user can quickly block any open device ports and easily prevent users from connecting cables, devices or inserting foreign objects without permission.

The semi-permanent HDMI Port Blocker is made up of a moulded plastic blocking cap that plugs securely into the HDMI port with a special insertion key. The blocker latches into the port just as a normal HDMI cable would and remains in place until removed using the insertion key.

Designed to help protect against unauthorised access to a network or system, as well as preventing unintentional or malicious damage to ports. It can also act as a visual cue, showing inactive or disconnected ports, ideal for use in schools, office or other public sector environments.

The key not only acts as the insertion and removal tool for the HDMI Port Blockers but also serves as a compact storage solution, ideal for IT administrators or facility managers managing multiple devices. This all-in-one design adds an extra layer of convenience to an already practical and efficient physical security tool. Up to four HDMI port blocks can be conveniently stored inside the specially designed key, making it easy for users to

carry multiple blockers and use them as needed.

To use, simply attach a blocker to the key and insert it into the HDMI port. Release the sliding mechanism on the key to leave the blocker in place. To remove, simply insert the key back into the blocker and pull away.

Techninė specifikacija

Features	
Product type	Port blocker + key
Compatible ports/slots	HDMI
Product colour	Blue, Grey
Material	Acrylonitrile butadiene styrene (ABS)
Quantity per pack	1 pc(s)
Key ring	Yes
Number of port blockers	4
Number of port blocker keys	1
Package type	Polybag
Technical details	
Doesn't contain	Lead, Mercury, Cadmium
Warranty period	2 year(s)
Compliance certificates	UKCA, CE, RoHS, REACH
Safety warning	The Port Blockers will only act as a basic physical & visual deterrent to tampering. It will not prevent a determined attacker, intent on gaining physical access to a HDMI port.
Weight & dimensions	
Width	69 mm
Depth	19 mm
Height	12 mm
Weight	10 g
Package width	133 mm
Package depth	144 mm
Matmenys ir svoris	
Svoris	0,01kg
