Aprašymas

Designed for dynamic work environments, this portable TV stand is ideal for presentations, video conferencing, and collaborative setups. Its sleek, space-efficient design supports screens up to 70in and 50kg, combining robust stability with modern aesthetics. Mobility is effortless thanks to four heavy-duty casters, each equipped with a locking mechanism to keep the stand securely in place when needed. A smooth crank handle allows for height adjustments across a 40cm range, making it easy to tailor the viewing angle to your space. The stand also offers flexible screen positioning, with support for both portrait and landscape orientations and a 20° tilt to reduce glare and improve visibility. Integrated cable management keeps wires neatly tucked away, while two built-in shelves provide convenient storage for AV components, helping you maintain a clean and organised setup.

Techninė specifikacija
