### Pagrindinės savybės

- ✓ Control with your voice
- ✓ Get in the mood
- ✓ Control lights away from home
- ✓ Smart lighting for daily tasks
- ✓ The Hue Bridge
- ✓ Control lights instantly
- ✓ Easy, wireless installation

### Aprašymas

### Easy smart lighting

Enjoy relaxing and energising scenes or create your own routines right out of the box with the Hue White ambiance starter kit. Includes Hue Bridge, two smart bulbs that offer the full spectrum of white light and a dimmer switch.

Techninė specifikacija

| Features                                             |                        |
|------------------------------------------------------|------------------------|
| Type                                                 | Smart lighting kit     |
| Interface                                            | Bluetooth/Zigbee       |
| Product colour                                       | White                  |
| Bulb type                                            | LED                    |
| Fitting/cap type                                     | E27                    |
| Bulb size                                            | A60                    |
| Light colour                                         | Warm white, Cool white |
| Colour temperature (min)                             | 2200 K                 |
| Colour temperature (max)                             | 6500 K                 |
| Luminous flux                                        | 1055 lm                |
| Power factor                                         | 0.5                    |
| Bulb power                                           | 11 W                   |
| Equivalent bulb power                                | 75 W                   |
| Bulb lifetime                                        | 25000 h                |
| Rated lifetime                                       | 25000 h                |
| Placement                                            | Wall                   |
| Bridge                                               | 1                      |
| Number of bulbs                                      | 2 bulb(s)              |
| International Protection (IP) code                   | IP20                   |
| Frequency range (hue bridge)                         | 2400 - 2483.5 MHz      |
| Number of bulbs per hue bridge (max)                 | 50 bulb(s)             |
| Hue bridge mounting type                             | Desktop/Wall           |
| Bulb technology                                      | LED                    |
| Number of switch cycles                              | 50000                  |
| Software upgradeable                                 | Yes                    |
| Mounting type                                        | Freestanding/Wall      |
| Instant full light                                   | Yes                    |
| Hue dimmer switch International Protection (IP) code | IP20                   |
| Frequency range (hue dimmer switch)                  | 2400 - 2483.5 MHz      |
| Hue dimmer switch lifetime (clicks)                  | 50000                  |
| Hue dimmer switch battery lifetime (min)             | 3 year(s)              |
| Philips Hue app supported                            | Yes                    |

**Performance**

|                                     |     |
|-------------------------------------|-----|
| Mobile operating systems supported  | Yes |
| Works with Amazon Alexa             | Yes |
| Works with Microsoft Cortana        | Yes |
| Works with the Google Assistant     | Yes |
| Works with Apple HomeKit            | Yes |
| Works with IFTTT                    | Yes |
| Philips Hue Bluetooth app supported | Yes |

**Power**

|                                       |           |
|---------------------------------------|-----------|
| Energy efficiency class               | F         |
| Power consumption (standby)           | 0.5 W     |
| Power consumption (max)               | 8 W       |
| Input voltage                         | 220-240 V |
| Bulb voltage                          | LED       |
| Battery type                          | CR2032    |
| Power consumption (hue bridge)        | 250 mA    |
| AC adapter input voltage (hue bridge) | 100-240 V |
| AC adapter frequency (hue bridge)     | 50/60 Hz  |
| AC input voltage                      | 220-240 V |
