Pagrindinės savybės

- ✓ Cordless all-rounder for screwdriving
- ✓ 20 % increased torque compared to its predecessor through stronger motor performance
- ✓ Multitasks as a drill, corkscrew, cutter, and more with attachment interface
- ✓ Increased runtime of up to 190 screws thanks to improved 2.0 Ah lithium-ion battery
- ✓ Illuminates dark working areas via new 360° LED light ring
- ✓ Lithium-ion technology produces no memory effect or battery self-discharge
- ✓ MicroUSB charger for easy portable charging solutions

Aprašymas

The light and compact multitasker with extra power for smoother screwdriving

The IXO is the powerful and convenient cordless screwdriver and multitasker for around the home. The new generation of this tool makes light, smooth work of tightening screws on flat-pack furniture assembly or when doing repairs: A stronger motor delivers a higher RPM and 20 % more power compared to its predecessor. With the new 2.0 Ah lithium-ion battery, tool runtime has been increased so there’s less recharging hassle on longer, more demanding jobs. This screwdriver is compact and ergonomically designed for a naturally comfortable grip and intuitive handling and it features a handy LED 360° light ring for better visibility and shadow-free working. Best of all, the IXO can be used for additional tasks that go beyond screwdriving. The attachment interface is compatible with all IXO Collection attachments so when work is done, it’s the handy helper for grinding spices and boosting the barbecue.

Smooth performance with 20 % increased torque

The new-generation IXO screwdriver has a stronger motor that enhances tool power and increases torque by 20 %. This enables comfortable working and smooth screwdriving operation.

Drives up to 190 screws per charge

On longer-lasting tasks where more screws are required, a 2.0 Ah lithium-ion battery in the IXO delivers longer runtime for up to 190 screws per charge, avoiding unnecessary recharging interruptions and work disruptions.

The right attachment for every occasion.
Why have many tools when one will do? With compatible IXO Collection accessories and the Easy-Click Cap Concept for simple accessory attachment and exchange, the IXO screwdriver becomes an indispensable multitasker for drilling, cutting, stoking BBQ coals, and much more.

Optimal illumination of dark work areas.
The PowerLight facilitates working in dark spots. A bright light ring with two powerful LEDs shines scattered light on the work area for great visibility and shadow-free working.

Handy USB charge-in-the-box storage

When not in use, the IXO screwdriver can be conveniently recharged while neatly stored in its box, thanks to the tool’s USB interface and micro USB cable power connection.

Starter pack with bits and magnetic bit holder

The starter set has 10 different bits, including ‘IKEA-bits’ (HEX 3 + HEX 5) for furniture assembly, and a magnetic bit holder for best reach in tight spaces.

Compact, lightweight, and always ready

Lithium-ion batteries are compact and light, they reduce tool weight, don’t suffer from memory effect, and remain charged regardless of storage time.

Superior grip for comfort and control

The softgrip zone provides comfortable tool handling and superior control, a useful feature in applications requiring extensive tool operation.

Techninė specifikacija

Features	
Product type	Power screwdriver
Handle shape	Pistol handle
Adjustable speed	No
Built-in light	Yes
Chuck type	Magnetic bit holder
Product colour	Black, Green
Motor type	Brushless
Performance	
Idle speed (max)	235 RPM
