Aprašymas

7-in-1Dock

Connectivity

Enjoy seamless connectivity and simplicity with the ROG Bulwark Dock, a 7-in-1 dock supporting 100W USB-C charging, 10Gbps file transfer, and HDMI 2.1

Seamless Compatibility

The ROG Bulwark Dock is designed to pair your phone, gaming handhelds, and laptops with monitors, TVs, mice, keyboards, and any other peripheral you can think of. One cable, infinite possibilities.

Aura Sync

To synchronize lighting across other Aura Sync products, install the original Armoury Crate to access an endless spectrum of colors, preset effects and wallpapers to take the style of your whole setup to the next level.

Perfect at every angle

The ROG Bulwark Dock’s flip cover design ensures compatibility with a wide range of devices, from smartphones to handheld gaming machines and traditional laptops, built with function at its core. It can be opened as a stand for a clear view of your device’s display, delivering a seamless and ergonomic docking experience.

Ergonomic Design

The anti-slip rubber helps hold your device at the optimal angle. The free space below the flip cover offers fresh air for ventilation, so your gear stays as cool as possible.

90° USB Type-C cable

A 90° USB Type-C cable ensures a seamless connection without putting any stress on the wire.

Travel Anywhere

The ROG Bulwark Dock is easy to carry on the go, easily slipping into bags and backpacks without adding extra bulk thanks its flip top design. When traveling, it can even double as a quick USB hub. Wherever your next adventure takes you, the ROG Bulwark Dock is ready to turn your setup into a true battlestation.

Techninė specifikacija
