Pagrindinės savybės

- ✓ Powerful brushless motor for high performance and long service life
- ✓ Easy handling thanks to the low weight, ergonomic design and optimal balance – ideal for longer work
- ✓ Cuts thicker branches without jamming thanks to the patented Bosch Anti-Blocking System

Aprašymas

Product Highlights

The GHE 18V-60 Professional cordless hedgecutter is easy to handle thanks to its ergonomic design. The powerful brushless motor provides continuous trimming for medium-density hedges. With a cutting capacity of 20 mm, you can also cut thicker branches easily and comfortably. When trimming stubborn branches, the patented Bosch Anti-Blocking System prevents the cutting blades from jamming via electronic detection and automatic repetition of the cut. Thanks to its light weight, optimal balance and ergonomic design, the cordless hedgecutter is well suited for longer work. Thanks to the low noise level and emission-free operation, the cordless hedgecutter is ideal for working in residential or other noise-sensitive areas.

Equipment & Application

Compatible with the Bosch Professional 18V System and with the multi-brand battery alliance AMPShare.

Techninė specifikacija

Features

Blade size	60 cm
------------	-------

Blade type	Single blade
Stroke rate	3000 spm
Cutting rate	1500 RPM
Sound pressure level	83 dB
Sound power level	91 dB
Standard deviation	2 dB
Power	
Power source	Battery
Battery voltage	18 V
Weight & dimensions	
Weight	3 kg
Packaging data	
Package width	280 mm
Package depth	1025 mm
Package height	210 mm
