Pagrindinės savybės

- ✓ Efficient rotary hammer for everyday work with built-in Bluetooth Connectivity
- ✓ Increased user health protection thanks to KickBack Control and Vibration Control
- ✓ Integrated HMI conveniently informs about relevant tool statuses and allows easy change of operating modes
- ✓ Bluetooth Connectivity allows easy connection with the Bosch Toolbox App for fast personal setting adjustmentsSee technical details

Aprašymas

GBH 18V-24 C Professional: Further information

Product Highlights

The GBH 18V-24 C Professional is an all-round performer in Bosch's SDS plus cordless rotary hammer category - perfect for daily use. It is equipped with a brushless motor and features KickBack Control and Vibration Control for increased user health protection. Its HMI display conveniently informs about the battery status and other user-relevant notifications. Its built-in Bluetooth Connectivity module allows fast and easy connection with the Bosch Toolbox App for personal settings adjustments. It is compatible with Bosch's self-contained GDE 18V-16 Professional dust extraction system that integrates onto the hammer with one click.

Equipment & Application

The GBH 18V-24 C Professional is intended for drilling and chiselling in wood, metal, concrete, and masonry. It is compatible with all batteries and chargers in the Bosch Professional 18V System.

Additional Information

It also includes Constant Speed, Electronic Motor Protection (EMP), LED light, Rotation Control Clutch, Variable Speed, and Vario Lock.
