Aprašymas

Product Highlights

If you're looking for a powerful tool that trims tall hedges efficiently without the hassle of petrol and fumes, look no further than the GHE 18V-50 TP Professional hedgepole. With this tool you can reach the top of high hedges effortlessly, without a ladder, thanks to its 2.5 m telescopic pole and adjustable angled head. With a variable speed trigger and the patented Bosch Anti-Blocking System, this tool makes cutting thicker and taller branches easier by preventing jamming. Furthermore, the angled cutting head offers ergonomic cutting from various angles for neat finishing of hedge tops and sides.

Equipment & Application

The GHE 18V-50 TP Professional hedgepole is the ideal tool for trimming hedges at height. Compatible with the Bosch Professional 18V System and with the multi-brand battery alliance AMPShare.

Additional Information

The GHE 18V-50 TP Professional hedgepole provides a hassle-free-start, low maintenance and a long service life. It runs at 3,400 strokes per minute, has a 23.5 mm tooth opening and a low noise level of 92dB. It comes with a high-quality 50 cm blade in a durable aluminium housing. There are no exhaust fumes and the tool splits into two parts for easy transportation.
