Pagrindinės savybės

- ✓ Bluetooth headset with charging station for comfortable use in everyday business situations in the office, home office and on business trips: hands-free and uninterrupted telephony without restrictions
- ✓ Space-saving for on the go: detachable microphone arm, folding wireless headset
- ✓ Adjust the volume directly on the earpad
- ✓ Mute button on the microphone arm of the multi-point headphones for immediate silencing of the microphone
- ✓ Reliable Bluetooth and 2.4 GHz radio technology with a range of 10 metres (depending on use and environmental conditions)
- ✓ Standby after 10 minutes of inactivity of the wireless headset
- ✓ The radio receiver connects the headset and laptop, etc. - simply Plug and Play

Aprašymas

Work flexibly and undisturbed: the wireless headset with multipoint and ENC simply filters out background noise - so your voice simply comes through clearly. Full concentration on the phone? The headphones use LEDs to show a red card to any colleagues trying to interrupt you during a call.

Wireless headset

For more freedom of movement: wireless headset for a tidy work space with hands-free calling and no cable spaghetti

Multi-device

1 headset, 2 devices: whether it be a PC, laptop, tablet or smartphone, with the office headset you can connect up to two devices simultaneously via Multipoint, saying goodbye to tedious plug switching

Environmental Noise Cancelling (ENC)

Improved voice quality when making calls: the Bluetooth headset with ENC noise cancellation filters out disturbing ambient noise directly at the microphone - so your voice comes through crystal clear

Call LED on the headset

Visible call: sitting down and chatting is no longer a thing as your colleagues will be able to see from the red LED that you are on a call

Long battery life
Never miss a call again: thanks to a 24-hour battery life, you'll always be contactable

Superb wearing comfort

For extra-long conversations: over-ear headphones with padded earpads and headband for the perfect fit, even if the conversation is a long one

Multi-function button

Easy to use: control call and smartphone functions via the multi-function button directly on the wireless headphones' earpads (e.g. take / make / reject calls / last number redial / music)

Charging station

Charge and store: the charging status LED indicates the charging progress and also serves as a holder for the Bluetooth headset when not in use to ensure a tidy workstation

On/Off switch

Energy saving made easy: with the separate On/Off switch, the Bluetooth headset with microphone only draws current when you need it

Rechargeable

Sustainable and practical: instead of tiresome battery changes, simply charge up the battery for the wireless headphones via USB-C

No waiting

Charge and call at the same time: when the battery is empty, simply plug in the cable and carry on using the business headset. That's how modern offices work nowadays

Voice over IP

Ideal meeting partner: the headset with microphone supports voice over IP, e.g. Skype, Teams, Zooms, YouTube, Office Calls, video conferences and more

USB charging cable

Always flexible: extra-long cable for more flexibility and freedom of movement and a straightforward connection of the wireless headset to the PC or notebook

Techninė specifikacija

Performance	
Product type	Headset
