Aprašymas

Unleash the productive capabilities of your tablet with the Pro Keys wireless keyboard & detachable case. It has everything you need to make any surface an effective workspace. We've developed a Pro key frame with smooth, precise key travel for fast, accurate touch typing. The case allows

your stylus to attach magnetically to your iPad. And we've included all the extras for an ideal user experience including forward-facing speaker cutouts, backlit keys, and an adjustable stand.

Ultimate Productivity Accessory

Transform your tablet into a lightweight, portable workstation so you can work from anywhere. We've optimized Pro Keys with accessories that enhance your tablet's capabilities, making it truly user-friendly and efficient.

Detachable Keyboard and Holder for Apple Pencil

The keyboard and case detach to accommodate different uses and environments. The holder for Apple Pencil keeps it, or any other stylus, close at hand for when inspiration strikes.

Backlit, Laptop-style Keys

Our new Pro keyframe design provides optimal key travel for clean, precise keystrokes and an easy, comfortable typing experience. The backlit keys, in seven different colors, make typing in low-light conditions easy.

Reliable Protection, Lightweight Design

The durable polycarbonate case has a rigid core, rubberized edges and button covers, and corner bumpers, all of which combine to provide 6.6 (2m) of drop protection. The lightweight design fits easily in your bag.

Multi-Device Pairing

The Pro Keys wireless keyboard pairs with two devices simultaneously, like a tablet and your phone, so you can toggle back and forth between them.

Long-lasting Battery

Type for up to a year before recharging the battery.* Keyboard automatically turns off when folded backwards against the tablet. The sleep/wake function helps preserve battery life when keyboard is not in use.
