Aprašymas

Discover the Silicon Power A60, a high-capacity, internal solid state drive designed to elevate your computing experience. With a generous 2 TB of storage, this hard drive is ideal for professionals and enthusiasts alike, offering ample space for large files, applications, and games. It harnesses the speed and efficiency of 3D NAND technology, coupled with the PCI Express 3.0 x4 (NVMe) interface, to deliver exceptional read and write speeds that drastically reduce boot times and enhance overall system performance.

The A60 is built to last, featuring shock-resistant construction and an impressive 2,000,000 hours mean time between failures (MTBF), ensuring your data is protected for years to come. It also boasts advanced data protection features, including End-to-end data protection, Error Correction Code (ECC), and LDPC error correction, safeguarding your data from errors and corruption. Whether you're a gamer, creative professional, or everyday user, the Silicon Power A60 offers the reliability, speed, and capacity you need to optimize your computing tasks.

Product Description: SILICON POWER A60 - SSD - 2 TB - PCIe 3.0 x4 (NVMe) | Type: Solid state drive - internal | Capacity: 2 TB | Form Factor: M.2 2280 | Interface: PCIe 3.0 x4 (NVMe) | Features: NVM Express (NVMe) 1.3, SLC cache, Host Memory Buffer (HMB), LDPC error correction, End-to-end data protection, RAID Engine, Error Correction Code (ECC), 3D NAND Technology, shock resistant | Dimensions (WxDxH): 22 mm x 80 mm x 3.5 mm | Weight: 8 g | Manufacturer Warranty: 5-year warranty

Techninė specifikacija

Matmenys ir svoris

Matmenys (I × P × A)	8,00cm × 12,00cm × 1,00cm
Svoris	0,02kg
