Aprašymas

The Toshiba N300 NAS offers a storage solution with a capacity of 4 TB, making it suitable for data-intensive applications. Engineered for 24x7 operation, this internal hard drive features a spindle speed of 7200 rpm and a data transfer rate of 600 MBps to ensure swift data access and management. The incorporation of Toshiba Dynamic Cache Technology enhances performance, while the advanced format technology ensures efficient storage use. With a sound emission of just 34 dB, the N300 operates quietly, making it suitable for any environment, whether at home or in a professional setting. Durability is key, as evidenced by the Toshiba N300's shock and vibration tolerance, ensuring reliability in various operating conditions. Designed to withstand temperatures ranging from 5°C to 60°C during operation and up to 70°C during storage, this hard drive provides versatility for different environments. Features such as Rotational Vibration sensors and a shock sensor further contribute to its resilience, making it a reliable choice for users seeking dependable storage solutions.
