### Pagrindinės savybės

- ✓ Stranded bare copper conductor
- ✓ AWG 32/7
- ✓ Ultra slim, 3.8 mm diameter
- ✓ 500MHz performance Bandwidth
- ✓ Transmission: 10Gbit
- ✓ Suitable for PoE, PoE+,
- ✓ Foil and braid shield Reduces EMI/RFI interference
- ✓ Molded boot with Strain relief
- ✓ RoHS compliant
- ✓ Low Smoke Zero Halogen (LSZH/LSOH)

### Aprašymas

The equip® Cat.6A F/FTP Slim Patch Cable is a small cable with big performance. With a cable diameter of almost half a standard Cat.6A cable, It's easier to route and saves valuable space in high density environments, such as data centers and telecommunications rooms. With Cat.6A Slim Cable, you can fit more cables in the same space, saving you the time and cost of expanding or replacing cable pathways.

### Techninė specifikacija

#### Features

|              |      |
|--------------|------|
| Cable length | 15 m |
|--------------|------|

|                                          |                                                      |
|------------------------------------------|------------------------------------------------------|
| Cable standard                           | Cat6a                                                |
| Cable shielding                          | F/FTP (FFTP)                                         |
| Connector 1                              | RJ-45                                                |
| Connector 2                              | RJ-45                                                |
| Product colour                           | Black                                                |
| Connector 1 gender                       | Male                                                 |
| Connector 2 gender                       | Male                                                 |
| Connector 1 form factor                  | Straight                                             |
| Connector 2 form factor                  | Straight                                             |
| Connector contacts plating               | Gold                                                 |
| Connector shielding                      | Yes                                                  |
| Jacket material                          | Low smoke zero halogen (LSZH)                        |
| Cable shape                              | Flat                                                 |
| Conductor type                           | Stranded                                             |
| Conductor material                       | Copper                                               |
| Cabling technology                       | 10GBase-T                                            |
| Ethernet interface type                  | 10 Gigabit Ethernet, Fast Ethernet, Gigabit Ethernet |
| Networking standards                     | IEEE 802.3, IEEE 802.5                               |
| AWG wire size                            | 32/7                                                 |
| Data transfer rate                       | 10000 Mbit/s                                         |
| Frequency                                | 500 MHz                                              |
| Power over Ethernet (PoE)                | Yes                                                  |
| Power over Ethernet (PoE) type supported | PoE+                                                 |
| Molded cable boot                        | Yes                                                  |
| Plug and Play                            | Yes                                                  |
| Country of origin                        | China                                                |
| <b>Sustainability</b>                    |                                                      |
| Doesn't contain                          | Halogen                                              |
| <b>Certificates</b>                      |                                                      |
| Compliance certificates                  | CE, REACH, RoHS                                      |
