## Pagrindinės savybės

- ✓ Type: Premium CAT 8.1 Round Patch Cord
- ✓ Standard: Cat 8.1/Class I ISO/IEC 11801
- ✓ Application: 10G -, 25G - & 40G Ethernet, PoE
- ✓ Wire: 4 x 2 x 26/7 AWG bare copper
- ✓ Shielding: Overall screen, pairs in metal foil (PiMF)
- ✓ Cable: LSZH-TPE sheath, 6.2 mm cable OD
- ✓ Plug: RJ45, shielded, gold plated contacts
- ✓ Color of cable: Black

## Aprašymas

### Patch cable PrimeLine, Cat.8.1, S/FTP, black, 20 m" from LogiLink Professional

LogiLink's shielded Cat.8.1 patch cables are suitable for data rates up to 40 Gbps. They comply with category 8.1 according to ISO/IEC link class I. These cables are backwards compatible with Cat.6A, Cat.6 and Cat.5e connections. Their high quality also makes them ideal for PoE and HDBaseT connections.

Techninė specifikacija

| Features                                 |                                                               |
|------------------------------------------|---------------------------------------------------------------|
| Cable length                             | 20 m                                                          |
| Cable standard                           | Cat8.1                                                        |
| Cable shielding                          | S/FTP (S-STP)                                                 |
| Connector 1                              | RJ-45                                                         |
| Connector 2                              | RJ-45                                                         |
| Product colour                           | Black                                                         |
| Connector 1 gender                       | Male                                                          |
| Connector 2 gender                       | Male                                                          |
| Cable shape                              | Round                                                         |
| Connector 1 form factor                  | Straight                                                      |
| Connector 2 form factor                  | Straight                                                      |
| Connector contacts plating               | Gold                                                          |
| Connector shielding                      | Yes                                                           |
| Jacket material                          | Low smoke zero halogen (LSZH), Thermoplastic elastomer (TPE)  |
| Ethernet interface type                  | 10 Gigabit Ethernet, 25 Gigabit Ethernet, 40 Gigabit Ethernet |
| AWG wire size                            | 26/7                                                          |
| Power over Ethernet (PoE)                | Yes                                                           |
| Power over Ethernet (PoE) type supported | PoE+, PoE++ (4PPoE)                                           |
