- ✓ Tested and approved to comply with European standards - CE Mark 0086 (EN 14387:2004+A1:2008 A2)
- ✓ Users must be trained and have read all user instructions. Misuse may cause injury, severe or life threatening illness
- ✓ No natural rubber latex components
- ✓ Pack contents: 4 pairs of filters
- ✓ Compatible with 3M Eyewear and Hearing Protection

Aprašymas

3M™ Organic Vapour Filter 6055 is a replacement filter for our 6000 and 7000 series of reusable face masks. They’re lightweight with low breathing resistance and feature a unique trapezoidal shape to ensure a good field of vision. There are no natural rubber latex components.

Use 3M™ Organic Vapour Filter 6055 to help provide A2 protection while commercially spray painting, brush or roller painting. These replacement filters are for use with 3M reusable masks in our 6000 and 7000 series. They’re designed to protect against organic gases and vapours such as solvent based paint, adhesive and cleaning detergents, with active carbon providing a longer usage time. They’re lightweight and offer low breathing resistance and balance making wear during your working day more comfortable, and their unique trapezoidal shape means users have a

good field of vision. They’re tested and approved to comply with European standards and are compatible with 3M Eyewear and Hearing Protection.
