Aprašymas

3M Peltor Comfort Earmuff X2A is our slim-line, dual moulded cup earmuff for effective protection and compatibility with other protection equipment. Featuring soft wide cushions, an electrically insulated wire headband and large space inside each cup to reduce heat build-up, it offers improved comfort and reduces noise levels by up to 31 dB

Get effective hearing protection and improved comfort with 3M™ Peltor™ Comfort Earmuff X2A, 94-105 dB. Our ear muffs provide a soft pressure fit, lightweight design, and are engineered to provide protection against noise levels of 94-105 dB, reducing them by up to 31 dB Comfort levels are improved with soft wide cushions helping to reduce pressure around the ears, and an electrically insulated wire headband that distributes an even pressure over the head. Moisture and heat build-up are reduced thanks to the large space inside the cups, yet their slim-line, dual moulded design improves compatibility with other personal protective equipment (PPE) such as 3M Eyewear and Respirators, encouraging use and compliance.

Techninė specifikacija

Features	
Recommended age group	Adult
Recommended gender	Male
