Aprašymas

The AC8106 rotatable laptop stand is highly versatile. Suitable for laptops up to 17.3", it offers multiple viewing positions to improve posture while working on a laptop. The stand rotates 360° to get the most optimal viewing angle and features a USB-powered cooling fan with an on/off switch. Non-slip rubber pads keep your laptop securely in place.

Ergonomic design: multiple viewing positions and 360° rotatable

The AC8106 is a sturdy laptop stand that fits devices up to 17.3". Its flexible design allows the stand to be positioned in multiple ways, including a full 360° rotation. Choose the best angle to maintain good posture during work. Non-slip rubber pads ensure your laptop stays secure.

Cooling fan with on/off switch

The integrated cooling fan prevents the laptop from overheating by actively driving away hot air for improved airflow. The cooling fan is USB-powered and includes an on/off switch.
