## Pagrindinės savybės

- ✓ Connectors: RJ45 90° angled left - RJ45 straight
- ✓ Ideal for situations where space is limited without stressing the bend radius
- ✓ Full copper 32AWG wires, 50μ gold-plated RJ45 contacts
- ✓ Outer diameter jacket of only 3.8mm to improve airflow in cabinets
- ✓ Low Smoke Zero Halogen (LSZH) cable jacket reduces the risk of high concentrations of toxic gases in case of cable damage due to fire or short circuit
- ✓ Conforms to international standards
- ✓ Cables are 100% tested

Space saving slimline cables

Advantages Slimline cable

## Aprašymas

CAT6A U/FTP slimline datacenter patch cables are smaller in diameter (3.8mm vs 5.9mm) than regular CAT6A patch cords. The bend radius is smaller compared to standard patch cords. This results in better airflow in the server rack or network cabinet.

The patch cable has a straight RJ45 connector and a 90° angled left RJ45 connector. Ideal for situations where space is limited without compromising the bend radius. For example in network cabinets and behind equipment.

Also available with a 90° angled up, down or right RJ45 connector.

The use of a LSZH (Low Smoke Zero Halogen) cable jacket reduces the risk of high concentrations of toxic gases if the cable is damaged by fire or short circuit.

The ACT U/FTP patch cable has full copper 32AWG wires and 50μ gold-plated RJ45 contacts and complies with international standards.

## Techninė specifikacija

| Features                    |                               |
|-----------------------------|-------------------------------|
| Cable length                | 5 m                           |
| Cable standard              | Cat6a                         |
| Cable shielding             | U/FTP (STP)                   |
| Connector 1                 | RJ-45                         |
| Connector 2                 | RJ-45                         |
| Product colour              | Black                         |
| Connector 1 gender          | Male                          |
| Connector 2 gender          | Male                          |
| Connector 1 form factor     | Angled                        |
| Connector 2 form factor     | Straight                      |
| Connector contacts plating  | Gold                          |
| Jacket material             | Low smoke zero halogen (LSZH) |
| Conductor material          | Copper                        |
| AWG wire size               | 32                            |
| Frequency                   | 500 MHz                       |
| Operational conditions      |                               |
| Operating temperature (T-T) | -20 - 60 °C                   |
| Certificates                |                               |
| Certification               | CE                            |
| Weight & dimensions         |                               |
| Outer diameter              | 3.8 mm                        |
