Pagrindinės savybės

- ✓ Business Laptop Clamshell Grey
- ✓ Intel Core Ultra 7 258V Processor cores: 8
- ✓ 40.6 cm (16") 1920 x 1200 pixels IPS 16:10
- ✓ 32 GB LPDDR5X-SDRAM 8533 MHz
- ✓ 500 GB SSD
- ✓ Intel Arc Graphics 140V
- ✓ Wi-Fi 7 (802.11be) Bluetooth 5.3
- ✓ Lithium Polymer (LiPo) 73 Wh 18 h 65 W
- ✓ Windows 11 Pro 64-bit

Aprašymas

bluechip TRAVELline U16W1, Copilot+ PC Intel® Core™ Ultra 7 Prozessor 258V / bis zu 4.80 GHz, Windows 11 Pro NextGen, 16" non-glare IPS Panel, 1.920 x 1.200, 32 GB LPDDR5X, 500 GB NVMe SSD, Intel® Wi-Fi 7 BE201 2x2, Bluetooth 5.3, Intel® Arc™ Grafik, Thu (881328)

Techninė specifikacija

| Design         |        |
|----------------|--------|
| Product type   | Laptop |
| Product colour | Grey   |

|                                              |                                                |
|----------------------------------------------|------------------------------------------------|
| Form factor                                  | Clamshell                                      |
| Colour name                                  | Dark Grey                                      |
| Housing material                             | Magnesium                                      |
| Market positioning                           | Business                                       |
| Display                                      |                                                |
| Display diagonal                             | 40.6 cm (16")                                  |
| Display resolution                           | 1920 x 1200 pixels                             |
| Panel type                                   | IPS                                            |
| Native aspect ratio                          | 16:10                                          |
| Display diagonal (metric)                    | 40.46 cm                                       |
| Processor                                    |                                                |
| Processor family                             | Intel Core Ultra 7                             |
| Processor manufacturer                       | Intel                                          |
| Processor model                              | 258V                                           |
| Processor generation                         | Intel Core Ultra (Series 2)                    |
| Processor cores                              | 8                                              |
| Processor threads                            | 8                                              |
| Processor boost frequency                    | 4.8 GHz                                        |
| Performance cores                            | 4                                              |
| Low Power Efficient-cores                    | 4                                              |
| Performance-core Max Turbo Frequency         | 4.8 GHz                                        |
| Low Power Efficient-core Max Turbo Frequency | 3.7 GHz                                        |
| Performance-core base frequency              | 2.2 GHz                                        |
| Low Power Efficient-core Base Frequency      | 2200 MHz                                       |
| Processor cache                              | 12 MB                                          |
| Processor cache type                         | Smart Cache                                    |
| Processor base power                         | 17 W                                           |
| Maximum turbo power                          | 37 W                                           |
| Neural processor unit (NPU)                  |                                                |
| Copilot+ PC                                  | Yes                                            |
| Neural processor unit (NPU)                  | Intel AI Boost                                 |
| Sparsity support                             | Yes                                            |
| Windows Studio effects support               | Yes                                            |
| AI software frameworks supported by NPU      | DirectML, OpenVINO, Windows ML, ONNX RT, WebNN |
| Total processor performance up to            | 115 TOPs                                       |

|                                   |                         |
|-----------------------------------|-------------------------|
| NPU performance up to             | 47 TOPs                 |
| GPU performance up to             | 64 TOPs                 |
| Memory                            |                         |
