- ✓ Firm table extension and robust tall fence provide greater width and more stable work area

Aprašymas

The GCM 216 Professional, is an 8" corded mitre saw that is as light and compact as it is hard-working and accurate. It's the ultimate high-performance solution for repetitive and exact cutting of same size pieces, thanks to a unique length gauge feature attached to the saw fence. The practical embedded laser function, has a bright red beam that guides each cut, enabling accurate positioning and high precision. Weighing just 10 kg, this light but powerful saw, has an ergonomic carry handle for quick transportation from one job to another.
