Pagrindinės savybės

- ✓ Kleine Earbuds. Großer Wert
- ✓ Natürlicher Klang. Dynamischer Bass
- ✓ Ladetasche im Taschenformat
- ✓ Bequeme SecureFit Ohrstöpsel

Aprašymas

Get your music on with the small true wireless earbuds that feel lighter, fit better, and sound great. You get up to 24 hours of play time and textured ear tips that keep the buds comfortably in place, even if you're wearing them all day.

Great sound from the tiny buds that fit like a dream

SecureFit textured ear tips bring you a fit that feels lighter and more comfortable, while creating a good seal for even better sound. Features like Dynamic Bass will let you enjoy the full power of your favourite tunes even if listening quietly.

Bluetooth® multipoint connectivity and easy pairing

Compatibility with the latest Bluetooth® 6.0 devices lets you stream without annoying dips in the sound, and you can connect to two devices at once. Microsoft Swift Pair is supported too.

Pocket-sized charging case with lanyard hole*

The small charging case slips easily into a pocket, or you can attach a strap to the lanyard hole* and hang the case from your bag or belt loop. Mono mode means that you can use either earbud while the other one charges.

Philips Headphones app. Customise your experience

Feel like your music's missing something? Our companion app features AI Neural EQ, an intuitive equalizer that lets you tweak the sound and explore different EQ settings using your fingertips. You can also use the app to activate Dynamic Bass, manage connected devices, update firmware and more.

GRS-certified recycled plastic. Responsible packaging

We use post-consumer recycled plastics in our products, and our packaging is made from FSC-certified recycled carboard with inserts printed on recycled paper.

IPX4 splash and sweat resistant

Never mind the weather, an IPX4 rating means that these earbuds are splash resistant so they don't mind a little rain! Wearing them during a quick workout or on a particularly hot day? They won't mind a little sweat either.

Up to 24 hours of play time with the case

You get 6 hours of play time from a full charge, and an extra 18 hours from the case. Pop the earbuds back in the case and they'll recharge fully in 2 hours. If you need a quick boost, just 15 minutes gives you an extra hour. The case can be charged via USB-C.

Clear calls. They'll hear what you're saying

Your voice will come through clearly when you're on a call. A dedicated mic picks up the sound of your voice while a noise-reduction algorithm reduces some of the background noise from the world around you.

Warm, natural sound. Philips sound signature

The custom drivers in these headphones are tuned to the Philips sound signature, which brings you warm, natural sound with deep bass. Whatever you're listening to, you'll love what you hear.

Comfy SecureFit ear tips and large 10 mm drivers

Compatible with Bluetooth® 6.0 and Microsoft Swift Pair

Techninė specifikacija

Performance	
Product type	Headset

Wearing style	In-ear
Recommended usage	Calls/Music
Headset type	Binaural
Product colour	Pink
