Aprašymas

The ViewSonic VG2240 is a 22” Full HD ergonomic business monitor designed to increase productivity and efficiency within the home and office workspace. Providing the full spectrum of ergonomic flexibility, the VG2240 can tilt, swivel, pivot, and height adjustment to adapt to any setup or workflow, while the built-in vDisplay Manager productivity software delivers efficient multi-tasking ability and streamlined display control. Dual front-facing speakers ensure a perfect audio-visual experience to provide teams with quality remote communication and collaboration. The beautifully designed display includes a 3-sided narrow bezel for uninterrupted viewing in multi-monitor display setups as well HDMI. DisplayPort, VGA, and USB3.2 connectivity. Complete with an easy-to-install quick release stand that reduces setup time to only a few minutes, the VG2240 offers a high-performance, purpose-built display solution designed for workspace productivity.

Ergonomic Workstation

Discover a monitor that has been designed to address the challenges of the modern work setup.

Uninterrupted Viewing

The narrow three-sided bezel gives the monitor a stylish feel and delivers uninterrupted viewing in multi-monitor setups.

Viewing Clarity from Wide Angles

Enjoy superb performance and better viewing quality from horizontal to vertical angles. With SuperClear® Vertical Alignment panel technology, the monitor remains clear and in good contrast color from 178° all around, whether you are looking at the screen from above, below, the front, or the side.

Clear Audio

Designed with a dual 2W front-firing speaker, the VG2240 delivers a clear sound to provide complete multi-sensory immersion.

Complete Ergonomic Flexibility

Effortlessly swivel the display up to 120° degrees, tilt up to -5° to 40° degrees, raise the display up to 130mm, and pivot 90° degrees for portrait viewing. The VG2240 offers the full range of convenient flexibility for every task and workflow.

Inbuilt Multi-tasking and Efficiency Software

Work smart with efficient OSD command and control through vDisplay Manager. Personalize split-screen displays, auto-launch applications, and customize display settings to maximize multi-tasking abilities and overall efficiency.

Advanced Eye-Care Technology

Eliminate eye strain and fatigue after long periods of use with Flicker-Free technology and a Blue Light Filter. Easily access the settings via vDisplay Manager and preset personalized brightness and contrast levels for different times of the day.

Extended Connectivity for External Devices

The VG2240 provides built-in HDMI, DisplayPort, VGA, and USB3.2 ports to easily connect additional devices to further support your workflow.

Effortless Installation in 4 Easy Steps

Instant assembly with no expertise required. Simply open the box, connect the base to the quick release stand, snap the stand into place using the slots, and lift the fully assembled display out of the box within minutes.

Eco-friendly, biodegradable packaging

The packaging of the VG2240 has been designed with the environment in mind. Paper-based packaging allows for easy disposal through recycling, while hand holes and mono color printing eliminates the use of plastics and pollutants.

Certified Environmental Sustainability

The VG2240 is an ENERGY STAR certified product that can save on energy costs* while reducing greenhouse gases. The display is also registered as an EPEAT Silver product and achieved TCO certified displays 9.0 recognition for sustainability.

Minimized Total Cost of Ownership

Designed for modern offices, the VG2240 helps reduce hidden business costs and delivers an efficient end-to-end enterprise experience. From installation time and recycling concerns to user experience and screen performance, every feature of this monitor has been carefully designed to meet the demands of modern-day work and reduce the TCO for business owners.

Techninė specifikacija
