The lighted and color-coded, side-loading supplies paths facilitate simple installation of media and ribbon and the tool-less print head and platen roller replacement keeps operations running. See printer status at a glance with the 4.3-inch full-color display, including color-coded alerts when the printer is paused or in an error state, so you instantly know when the printer needs attention. Dynamic QR codes provide “on-demand”, web-based support-including video access-to resolve printer errors quickly. Simplify integration and management with Zebra’s Print DNA suite of applications, utilities and developer tools- all powered by Link-OS.

APPLICATION FLEXIBILITY

Standard USB, Serial, Ethernet, dual USB Host and Bluetooth connectivity options; and two open media slots allow you to add Parallel, Ethernet, applicator interface cards and more. Easily add factory-or field-installable RFID encoding options for either general purpose UHF RFID tags or thicker on-metal tags. End user installable media handling options allow you to customize your printer to match your current and future business needs.
