Aprašymas

The **Yeelight** brand is part of the Xiaomi ecosystem.

Yeelight Crystal Pendant Light

Yeelight Crystal Pendant Light emits warm and cold light in multiple colors, allows you to adjust the color temperature, and control by voice. It will work great in the dining room, and perfectly reflects natural colors. It is compatible with Google Assistant and the SmartThings app.

Comfortable light

Crystal was created for the dining room and that's where, it will perform best. The lamp distributes light very smoothly, accurately illuminating the entire surface of the table over which it is suspended. It provides the perfect atmosphere during meals.

Top quality

The Crystal lamp has 280 high-quality LED lighting beads, which eliminate glare and allow the light to be evenly distributed over the entire illuminated surface.

Adjust according to your needs

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. Gamintojas ir pardavėjas neatsako už galimus duomenų neatitikimus ar tipografines klaidas. Prieš įsigyjant rekomenduojame pasitikrinti aktualią informaciją.

The double wire on which the lamp is suspended can be adjusted according to the height of the table and your own needs within the range of 0.5m to 1.5m. The Yeelight app will tell you the recommended length of the wires.

Choose the color yourself

The Crystal ceiling lamp has the ability to change the color of the light, which will allow you to create the right mood in any situation, using the intuitive Yeelight app.

High color rendering index

The Crystal lamp has an excellent color rendering index of Ra95, allowing it to accurately reproduce the colors of food and more.

Adjustable brightness and light temperature

The Crystal Pendant Light allows you to adjust the color temperature from cool to warm, and lets you control the brightness of the light. You decide for yourself how much power you want it to shine. Thus, you can adjust it exactly to your needs and situation.

Voice control

The ability to control the lamp in multiple ways, gives you even more convenience. Crystal is compatible with Google Assistant, Alexa and the SmartThings app. All you have to do is speak the right command and the lamp will work exactly as you need it to. In addition, you can control it with the Yeelight app.

Dustproof

The device is resistant to dust and unbearable insects getting inside, so you don't have to worry about cleaning it all the time.

Minimalist design

The lamp is made of the highest quality materials and, like other Yeelight devices, is kept in a minimalist, modern and elegant style.
