Pagrindinės savybės

- ✓ Reducing noise levels from 30-31 dB, model dependant, tested to EN 352:2020
- ✓ Wide flat headband is electrically insulted making the earmuffs electrically resistant or 'dielectric'
- ✓ Colour-coding makes it easy to identify the level of protection being worn
- ✓ Slim cups offer improved compatibility with other safety equipment

Aprašymas

Reducing noise levels from 30-31 dB, model dependant, tested to EN 352:2020

Wide flat headband is electrically insulted making the earmuffs electrically resistant or 'dielectric'

Colour-coding makes it easy to identify the level of protection being worn

3M™ PELTOR™ X2 Earmuffs are our innovative hearing protectors with a modern slim cup design. Available as headband, helmet attachment and neckband models. The headband model features an electrically insulated, twin headband that decreases heat build-up on top of the head. Depending on wearer preference or application need, the helmet attached versions are available as either dielectric electrically insulated or with robust metal arms.

For high performance hearing protection against moderate noise levels, use 3M™ PELTOR™ X2 Earmuffs. 3M PELTOR Earmuffs X2 are colour-coded yellow, making it simple to select the correct level of protection from the X series range. The headband model features an electrically insulated, twin headband design that helps reduce heat build-up on top of the head, and the stainless steel wire, coated with plastic makes the headband the most robust 3M has to offer. It is both strong and comfortable as the flat wide headband has a soft plastic coating providing stable pressure on top of the head. No exposed metal means the product is 'dielectric' providing electrical resistance for those applications with risk of spark or charge. Carefully moulded sliders ensure the earmuffs are easy to adjust when on the head. Wide, soft foam ear cushions help workers stay comfortable, while the slim cups offer improved compatibility with other safety equipment. Offering a product to meet each users job or preference the helmet mounted

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. version is available as P5 with the same dielectric performance as the headband model. Alternatively, if the application does not require electrical insulation the helmet mounted P3 model and neckband is available. The cushions and foam inserts, available as Hygiene Kits, are easy to replace if they become worn or damaged, helping extend the life of the product.

Techninė specifikacija

Features	
Product colour	Black, Yellow
Removable ear pads	Yes
Headphones	
Noise Reduction Rating (NRR)	31 dB
Ports & interfaces	
Bluetooth	No
3.5 mm connector	No
2x 3.5 mm connectors	No
2.5 mm connector	No
6.35 mm connector	No
USB connectivity	No
Matmenys ir svoris	
Svoris	0.30kg
