Aprašymas

FSN 3100 Professional: Further information
Product Highlights
The FSN 3100 Professional 3,100-mm guiderail features a unique technology for enabling exact cuts. Designed with high-quality workmanship, it offers precise guidance and can be conveniently used with all related power tools. The FSN VEL optional extension connector can be attached for a quick and strong connection between two existing guiderails, providing perfect stability. For a clean cutting edge, the guiderail features non-slip rubber stripes and splinter protection that can be easily replaced and provide complete control during operation. This guiderail delivers perfect cutting results when used with plunge and circular saws. It is compatible with all Bosch Professional GKS G-model circular saws, all GKT Professional plunge saws, as well as selected GST Professional jigsaws and GOF Professional routers with an adapter.
Equipment & Application
The FSN 3100 Professional guiderail also includes a spare plastic T cap.

Techninė specifikacija

Features	
Product type	Guide rail
Brand compatibility	Bosch
