Aprašymas

Strong Ceiling Mount for Projectors with Full Motion Adjustments, Suitable for Sloped and Flat Ceilings
Designed to handle even the most demanding setups, this heavy-duty projector ceiling mount supports projectors weighing up to 35 kg (77 lbs.). Its universal compatibility ensures it can accommodate virtually any projector model, making it a reliable choice for various applications, from classrooms and conference rooms to hospitality venues, and more.

Full Viewing Flexibility

Achieve the perfect projection angle every time with advanced adjustability. The mount offers 360° rotation, +/-20° tilt, and +/-8° swivel, enabling precise positioning for optimized views. Whether you’re presenting in a boardroom or hosting a movie night, this mount adapts effortlessly to meet your needs.

Designed for Sloped and Flat Ceilings

No matter the ceiling type, this mount is up to the task. Its innovative ceiling plate provides +/-60° adjustment, allowing it to be securely installed on both sloped and flat ceilings.

Adjustable Height for Perfect Placement

With its telescopic extension pole, it can be adjusted to a height between 745 and 1145 mm (29 to 45 in.), ensuring optimal placement for your projector. Whether you need a low-profile setup or a higher installation, it has you covered.

Durable and Stylish Construction

Crafted from heavy-duty cold-rolled steel and finished with a powder coating, this mount delivers long-lasting durability while maintaining a sleek, professional look. Its robust design ensures stability and reliability, even with very heavy projectors.

Easy Installation with Quick-Release VESA Plate

The detachable VESA plate simplifies installation, making it easy to hook and securely mount your projector. This user-friendly feature reduces setup time and ensures a hassle-free experience.

Clutter-Free Installation

Say goodbye to tangled cables and messy setups. The internal cable management system neatly conceals wires within the mount, creating a clean and polished appearance that enhances any space.
