Pagrindinės savybės

- ✓ 10.2 cm (4") 800 x 480 pixels Touchscreen
- ✓ 4 GB
- ✓ Compatible memory cards: MicroSD (TransFlash)
- ✓ Snapdragon 660 2.2 GHz
- ✓ Android
- ✓ Bluetooth Near Field Communication (NFC) Wi-Fi
- ✓ Built-in camera 13 MP
- ✓ Built-in microphone
- ✓ Lithium-Ion (Li-Ion) 7000 mAh
- ✓ Black

Aprašymas

The ultimate versatile, lightweight-yet-rugged key-based touch mobile computer

Introducing the next evolution of our highly successful MC3000 family of keypad/touch mobile computers, packed with new features to tackle the ever increasing requirements of today’s on-demand, e-commerce driven economy. You get the same proven fit-for-purpose ergonomic design, now with Zebra’s latest, most powerful and secure Android architecture, including an extended range scanning option that captures barcodes on the top of your warehouse racks with ease, and a 35% larger capacity battery packs power for up to three

shifts. All rugged specifications are higher for increased reliability — drop, tumble and sealing. And with the bright touch display, multiple keypad options and four form factor options, you can give your workers a device that will make on-the-job data capture easier than ever.
Improve workforce productivity and efficiency from the manufacturing shop floor to the warehouse in your facility with the MC3300x — only from Zebra.

Power three shifts with the class-leading 7000 mAh battery

The new 7000 mAh extended capacity battery is standard with every MC3300x. More power means fewer battery changes, easier battery management, and a smaller battery pool with fewer batteries to purchase and manage, saving time and money on your deployment.

Maximum WiFi range and speed — with less power

2x2 Multiple-User Multiple Input Multiple Output (MU-MIMO) technology allows access points to communicate with multiple devices simultaneously via pinpoint beamforming, boosting WiFi network capacity, speed and range. And the processing is shifted from the mobile device to the access point, extending battery life.

The perfect combination: touchscreen and keypad

Whether your application requires touch or physical keypad input, we’ve got you covered. Your application can utilize the entire display, while the physical keypad provides the same familiar user input experience your workers have today. In addition, the touchscreen paves the way to migrate to intuitive touch-based interfaces. And with three different options, you
can choose the right keypad for your data entry needs — alphanumeric, numeric and functional numeric.

Bluetooth 5.0 — twice the speed, four times the range, less power

Speeds up to 2 Mbps improve the performance of Bluetooth peripherals, such as ring scanners, printers and headsets. The result? Faster application response times, faster printing and better voice quality. And battery runtime is also extended, since Bluetooth Low Energy reduces power consumption.

More rugged and ready for all-day business

You get reliable operation and peace of mind with an increased 6 ft./1.8 m drop specification across the operating temperature, triple the tumble specification (3,000 3.3 ft./1 m); and now IP64 dustproof sealing. With Corning® Gorilla® Glass on the touch panel and scan window, your investment will be protected from regular wear and tear.

Superior performance on all your voice and data apps

Power even the most demanding apps of today and tomorrow with the most powerful processor and most memory in this class — every model offers an ultra-powerful 2.2 GHz octa-core processor and 4 GB RAM/32 GB Flash.

Techninė specifikacija

Display	
Display diagonal	10.2 cm (4")
Display resolution	800 x 480 pixels
Touchscreen	Yes
Display	LED
Memory	

Internal memory	4 GB
Flash memory	32 GB
Compatible memory cards	MicroSD (TransFlash)
Maximum memory card size	512 GB
Processor	
Processor frequency	2.2 GHz
Processor family	Snapdragon
Processor model	660
Number of cores	8
Network	
Wi-Fi	Yes
Bluetooth	Yes
Wi-Fi standards	802.11a, 802.11b, 802.11g, Wi-Fi 4 (802.11n), Wi-Fi 5 (802.11ac)
Bluetooth version	5
Security algorithms	AES, EAP-TTLS, TKIP, WEP, WPA, WPA2, WPA3
Near Field Communication (NFC)	Yes
Camera	
Built-in camera	Yes
Rear camera resolution (numeric)	13 MP
Audio	
Built-in microphone	Yes
Speakers	Yes
Performance	
Product colour	Black
Barcode reader	Yes
Keyboard layout	Numeric
LED indicators	Yes
International Protection (IP) code	IP64
Drop proof	Yes
Drop proof	180 cm
Push-to-Talk (PTT)	Yes
Sensors	
Accelerometer	Yes
Gyroscope	Yes
