Aprašymas

Unlock elevated gaming performance and style with the Turtle Beach® Afterglow™ Wave RGB gaming controller for Xbox Series X|S, Xbox One and Windows 10 & 11 PCs. Featuring Hall-Effect 3-stop adjustable triggers, you can fine-tune trigger sensitivity and enjoy smooth, precise, and durable control. Customize your controller’s style with intelligent RGB lighting, offering eight unique lighting zones and eight different preset modes with adjustable brightness. Customize your gameplay with two mappable quick-action buttons, keeping essential commands within close reach. Stay locked in with patented D-pad audio controls at your fingertips, allowing for instant adjustments to game/chat volume mix and master volume, plus a dedicated mic mute button. Download the Control Hub companion app for Xbox consoles & Windows PCs giving you advanced customization options for lighting, button mapping, as well as controller configuration and diagnosis. Dual rumble motors and impulse triggers provide immersive, responsive feedback, and an ergonomic shape with laser-etched textured grips ensures a fatigue-free feel. Officially licensed for Xbox and PC, the controller’s 10ft USB-C wired connection ensures reliable, lag-free gaming.
