Pagrindinės savybės

- ✓ Unique tablet protection for the Apple iPad 11" (25)/iPad 10.9” (22) that can comfortably withstand even heavy stresses: the D3O-licensed tablet case is the bodyguard for your tablet with impact protection, drop protection and scratch protection - the impact-resistant and yet stylish protective case for tablets for a professional impression
- ✓ Particularly shock-resistant frame: the innovative protective shield specifically protects sensitive edges - so the tablet's biggest weak points are perfectly protected
- ✓ Stable design as a bumper case: tablet protection case made from resilient material, impact-resistant corners thanks to material reinforcement for even more safety in the event of bumps and falls
- ✓ Functional design with ribbed surface for a good grip: whether it be in the garden, on the sofa or in a business meeting, the tablet case always looks the part
- ✓ The highlight: the tablet with the cover lies flat on the table etc. with the small feet on the corners, creating a straight surface with the camera protection so the tablet does not wobble
- ✓ Slim tablet protective case takes up barely any space and is not bulky
- ✓ Flexibility: easy to attach to the tablet PC
- ✓ A firm grip in the case, even if you stand the tablet up in the case and work with an external keyboard, for example - Custom-positioning as required
- ✓ Ideal for surfing, writing e-mails or watching videos

Aprašymas

The "Extreme Protect" tablet case with innovative protective frame discreetly protects your Apple iPad 11"(25)/10.9" (22). Impact-resistant yet elegant design with a professional look and feel: this case looks the part - at work, at uni and on the go.

D3O - industry standard protection

High-end cover with D3O® licence: this bumper case with innovative protective frame guarantees shatterproof and shockproof drop protection - a protective tablet case for every situation

Scratch protection deluxe

Scratch-resistant with 4H hardness rating: tough, strong surface finish protects against scratches and abrasions from anything in your hand luggage, handbag or laptop bag

Elegant design

Sleek and elegant: the tablet sleeve with transparent back and black front cover creates a professional impression - with optimised tablet protection that shows

Anti-yellow tint

Transparent tablet cover without yellowing: many years of enjoyment from your case as the special material composition prevents yellow discolouration

Camera protection through raised edges

Simply lay it down carefree: the raised edges of the tablet case provide protection for the protruding camera lenses without compromising the quality of the photos

Edge protection for the display

Additional protection for the tablet display: the tablet case has a raised edge all around - so the touchscreen is better protected

Protected side buttons

A clean sweep: the tablet sleeve cover also covers the side buttons - this protects against dust and enables a perfect pressure point

Anti-slip surface

Bumper with grip: with the anti-slip material and the ribbing on the sides, you always have a secure grip on the tablet case

Practical pen compartment

Practical, space-saving pen compartment in the middle of the tablet case for input pen, ballpoint pen, etc.

Automatic switch-on and switch-off

Easily save energy: the integrated magnet in the tablet case switches the iPad on when the cover is opened and off when it is closed - saving battery power even without an extra button press

Stable two-stage stand function

Stable stand for the tablet: simply fold out the front cover on the tablet case, set the tablet up and use it comfortably for working - just two steps to the perfect viewing angle

Transparent back

Hard, transparent back: even in the case, the tablet's design remains visible - safe handling and a high-quality appearance combined in one outdoor tablet case

Full access

With the tablet in its case, you have everything to hand: cut-outs allow full access to ports and control elements - all buttons, sockets, etc. are accessible as normal

Lightweight and durable protection
Reliable protector: the sturdy upper material is durable and lightweight

Techninė specifikacija
